Dear PSW Kew Store families,

We would like to let you know about an upcoming change to our PSW Kew retail store.

Due to the current premises being sold, the PSW Kew store will be closing towards the middle of the year. After this time, families will be able to shop for uniform at our new location which will be located at 299 Canterbury Road, Canterbury. We will also be using this exciting opportunity to rebrand to be known as the Uniform Group.

Please be assured that this change will not affect the uniforms available to your school or the service you receive. Your school will continue to be supported by the PSW sales team and families will still have access to the same quality products and support.

We are currently finalising the details of this relocation and will share further information soon. The Kew store will remain open with the same trading hours until we move. Families can continue to visit us at this location to top up uniform for winter for the next couple of months.

For more than 30 years, PSW has proudly supported Australian schools and families, and we remain committed to providing quality uniforms and reliable service for your school community.

Thank you for your continued support.

Yours

Warm regards,

Adam Wilkinson
