

RICHMOND PRIMARY SCHOOL FEES – 2016

Dear Parents and Carers

2016 will be another exciting year for Richmond Primary School as we further bed down our 4 year strategic plan. The key purpose of this plan is to supply and empower both students and staff to move from being good to amazing. To deliver the high quality education that we expect, and our children deserve, we need the support of our school community. Government funding only covers essential curriculum support and general funding, and so without the support of parents through payment of school fees and voluntary contributions, we would be unable to continue to deliver the high quality education that we are proud of at Richmond PS.

The School Council has determined the fee structure below to support a range of initiatives to deliver the school's goals:

A) Essential Educational Materials <i>This includes all classroom, technology & library consumables purchased throughout the year in bulk. RPS does not require parents to purchase any school supplies.</i>	\$350	Increase of \$10 (CPI related)
B) First Aid Levy <i>This contributes to a qualified first aid officer who provides first aid treatment & medical administration thereby freeing up teaching staff to supervise kids at the Allan Bain reserve during break times.</i>	\$50	No change
C) Excursion Levy <i>This covers all incursion & excursion costs except swimming, photos and camps. It covers one incursion and excursion per term and one additional physical or health education program. You can elect to pay as you go, please indicate this on the payment slip..</i>	\$150	No change
D) School Maintenance Levy <i>This is a family charge against the eldest child at school and enables the school to employ a grounds keeper. It also covers the purchase and maintenance of equipment to maintain our school grounds. If you choose not to pay this levy then you will be required to attend 2 working bees over the year</i>	\$100	No change
E) Richmond Primary School Building Fund – Voluntary Contribution <i>There is an opportunity to voluntarily contribute funds to the school through tax deductible donations into this fund. These funds are generally used for works that are on our buildings and landscape master plan and also to upgrade our technology resources (computers, smartboards etc). Recommended amounts have been included, however any amount can be selected. This was established in 2008 at the request of busy parents who want to contribute to the school and its development.</i>	\$50 \$100 \$250	No change

Richmond Primary is a school of distinction - with great pride in its achievements, belief in its students and teaching staff, and a determination to encourage, support and drive to achieve potential. With your support, the school will continue to meet the needs of parents, but more importantly, outstanding outcomes for our children.

The School Council looks forward to the school continuing to move forward at pace with the needs of students and families.

Thank you all once again

Sharon Beaumont
School Council President
