October 12 th 	Grades Prep, 1 and 2 return to onsite learning, we hope.
November 3 rd	Melbourne Cup Day Public Holiday
December 18 th	Last Day 2020 school year
January 28 th 2021	First day 2021 school year for students

Message from the Assistant Principal

NERIDA BURNS

I hope the newsletter this week finds you coping well, with increasing hope and anticipation for the improving Spring weather. We continue to miss our community terribly and know how challenging this term has been for us all.

The weekend's announcements obviously affected us all in a range of ways. Megan provided some overview information to all families which will be complemented in future weeks as updates come to hand. We, as a staff, are equally grateful for the support of you, our families, during such difficult circumstances and this ability to work together has no doubt contributed to some of the positive outcomes we've collectively achieved.

Richmond Primary has prided itself as being the heart of the local community and our gates and grounds are always open for students and families to enjoy.

Unfortunately during this current lockdown a number of students, past and present, parents and local community members have not used our school grounds and facilities respectfully and been incredibly rude and disrespectful to the CommunityOSH staff, so much so that they were unable to run their program. This has happened on a number of occasions. Police were called to ask groups to move off the school premises.

As a result the school grounds will not be open to the community from 8.30 to 5.30 during COVID restrictions. We do look forward to when we can share our grounds again.

Take care,
Nerida

Please note that the School Grounds are not accessible to the public between 8.30am-5.30pm during the School Term and during the School Holidays. To assist us with maintaining COVID Safe practices we ask that you find an alternative recreation area. **Please be aware that if you do not comply the Police will be notified immediately.**

PRC

VISUAL ARTS

STAFF SPOTLIGHT

*Kieran McKissack***You are a new addition to the crayon box. What colour would you be and why?**

I would be green because it is my favourite colour and I love the outdoors!

When you are by yourself in the car, what's your "go to" song/artist that you sing along with?

I love lots of different kinds of music spanning from the 70s and 80s to today! At the moment though I would have to say Achilles Last Stand by Led Zeppelin. It is epic and takes me back to my band days.

What's the last thing you watched on TV and why did you choose to watch it?

The last thing I watched (and I have just finished season 1 this week!) is Cobra Kai. A throwback to one of my favourite movies Karate Kid.

What's your favourite movie?

Karate Kid is up there but my favourite movie of all time would have to be Space Jam!

If we opened your fridge, what would we find?

Lots and lots of cheese!

Which football team do you support?

I am an English Premier League supporter first and foremost with my favourite team being Tottenham Hotspur. For my AFL team I would have to say North Melbourne.

What superpower do you wish you had?

I wish I could fly at super speed! That way I could visit my friends around the world, go on holidays wherever I wanted to and see family in the United Kingdom.

Are you a dog or a cat person?

Can I be both? I had a cat called Polyester when I grew up and he was a great friend. I also love dogs though and have had a golden Labrador called Zucchini and two beautiful Maltese cross Chihuahuas called Suzie Q and Pipsqueak who were very special to me. Impossible to choose!

What is your favourite memory from Primary School?

My favourite memory would have to be winning the Regional Championships for the 100m sprint.

What was your favourite subject at School?

My favourite subject in school was PE. I'm a sucker for competition!

**Victorian Premiers' Reading Challenge ONLY 1 WEEK TO GO**

Congratulations to the following students that have completed the challenge

Sophia Magennis	1/2F
Ava Brass	1/2L
Isla Mcqualter	1/2L
Elliot Clemmens	1/2J

ZOOM PROTOCOLS

In the coming weeks some teachers are planning to conduct one on one zoom catch ups with students. We ask that parents ensure they are in the same space during these zooms meetings. This is to ensure Child Safe Standards are adhered to.

Thank you for your support

My pledge to Richmond Primary School;

As part of my professional growth within the teaching profession, and as a part of Richmond Primary School, I pledge;

- To create a positive learning environment where my students feel safe, comfortable and confident in their learning.
- To establish working professional relationships with my colleagues and the community and work collaboratively for the benefit of the students.
- To ensure that all students have the same opportunity to learn and grow within my classroom.
- To care for the wellbeing of the students and to help foster positive relationships with their peers.
- To pursue professional learning to help build on integral aspects of my role, as well as those that have a positive impact on my teaching pedagogy.
- To ensure curriculum is implemented and adapted to cater for the numerous learning needs of my students within the classroom.

Visual Arts, Blythe Neve

It's Tie Dye week

This week RPS junior years made art experiments using a process called Tie Dye. What colourful cosmic creations!
