Richmond Primary School embraces the vision of the [Marrung Aboriginal Education Plan](#) and celebrates the culture, knowledge and experiences of First Nations Peoples. We are committed to creating and maintaining a school environment that empowers Koorie students to feel valued, respected and culturally strong.

Our school has a number of measures in place to ensure our community acknowledges and appreciates the strengths of Aboriginal and Torres Strait Islander culture. These measures are outlined below.

To comply with this standard Westgarth Primary School must encourage and actively support a child or student's ability to express their culture and enjoy their cultural rights in the following ways:

- equip staff, students, volunteers and the school community to acknowledge and appreciate the strengths of Aboriginal culture and understand its importance to the wellbeing and safety of Aboriginal children and students
- adopt measures to ensure racism is identified, confronted and not tolerated
- address any instances of racism within the school environment with appropriate consequences • actively support participation and inclusion in the school by Aboriginal children, students and their families
- ensure school policies, procedures, systems and processes together create a culturally safe and inclusive environment and meet the needs of Aboriginal children, students and their families
- develop and endorse a policy or statement detailing the strategies and actions the school will take.
- all Koorie students will have a KELP (Koorie Education Learning Plan) and termly Student Support Group meetings.

## Family and community perspectives and feedback

We actively seek participation and feedback from Koorie students, families and Community by:

- acknowledging the existing knowledge of Koorie students and their families and seeking their feedback on decisions that affect them, and on how well we are meeting their needs, through

initial enrolment meetings, Student Support Groups, during the development of Individual Education Plans

- working with our regional Koorie Engagement Support Officers (KESOs) for advice on how we can create a culturally inclusive learning environment and to build our capacity to provide support for individual Koorie students attending our school
- partnering with Wurrunjari community to seek feedback and advice on existing and new actions we can take to support the diverse and unique identities and experiences of Aboriginal students and children in our community.
