RISK TITLE AND DESCRIPTION	RISK	ASSESSMENT	EXISTING CONTROLS	CONTROLS ASSESSMENT	NEW TREATMENTS AND WHO IS RESPONSIBLE?	BY WHEN?
Provide a risk title and short description.	Describe the causes of the child safety risk.	Describe the consequences for children if the child safety risk happens	Describe the existing child safety and wellbeing controls you have in place to mitigate the child safety risk Sample content is provided below	Taken together, are the controls adequate to reduce the risk and harms to a tolerable level?	If controls need to be strengthened, describe any new controls you will implement to mitigate the child safety risk and who is responsible for the new treatments?	When will this be done?
Child Safe Standard	I 1 – Aboriginal cultural safet	y		•		
Risk Title: Culturally safe environments Description: There is a risk that the school fails to establish a culturally safe environment in which the diverse and unique identities and experiences of Aboriginal children and students are respected and valued Risk type: Situational, Organisational	not consultative	 being less likely to report abuse by adults or peers, and make them more vulnerable to harm Aboriginal students do not feel welcome, safe, respected or valued for their diverse and unique identifies which may result in 	 Our Child Safety and Wellbeing Policy outlines the controls in place to establish a culturally safe environment and is implemented Other documents that address Aboriginal cultural safety and include Acknowledgement of country Indigenous and Torres strait Islander flags Sorry Day Student Wellbeing and Engagement Policy Bullying Prevention Policy Inclusion and Diversity Policy Controls to address racism, discrimination and bullying are outlined in the Bullying Prevention Policy and the Student Wellbeing and Engagement Policy. We begin events and meetings with an Acknowledgement of Country as a standing agenda item. We use this as an opportunity to pause and reflect or open a discussion We use Koorie Engagement Support Officers (KESOs) to provide advice to government schools about creating culturally inclusive learning environments. 	Yes	 Community Understanding and Safety (CUS) refresher training to be undertaken by all staff. (To be organised by the Principal, Megan Dell) Display plaques and signs to Acknowledge Country and Traditional Owners. ((To be led by the school's staff) Continue to build school wide knowledge of Aboriginal histories, cultures, perspectives, values, skills and attitudes. (To be led by the school's team leaders). 	Semester 2 2022 and then ongoing
Child Safe Standard	l 2 – School leadership, gove	rnance and culture				
Risk Title: Leadership, governance and culture Description: There is a risk that child safety and wellbeing is not embedded in the school's leadership, governance and culture Risk type:	 Child safety is not prioritised Decision-making power concentrated in one individual Unclear accountabilities Staff and volunteers are unaware of the school's expectations relating to their conduct and role in supporting child safety and wellbeing Culture of secret keeping Poor management of conflicts of interest Lack of leadership on child safety 	 incidents or concerns Increased risk of child abuse occurring, remaining undetected and not being responded to appropriately because staff and volunteer roles and responsibilities are not clear Poor practices and understanding of 	 Our Child Safety and Wellbeing Policy outlines the controls in place to ensure a child safe culture is embedded across the school and is implemented Our Child Safety Code of Conduct is adopted and actively enforced by school leadership. Inconsistent staff, contractor or volunteer conduct is swiftly addressed. Our Child Safety and Wellbeing Policy and Code of Conduct are publicly available and promoted in the school community This risk register is reviewed annually and after any significant child safety incident or concern 	Yes	 Child Safety Champion regularly reviews PROTECT guidance and other relevant policies to ensure our own local child safety policies, procedures and practices are informed by best practice and updated where required. (Reviews to be led by the Assistant principal,) Seek input from staff, volunteers, families and the school community. Ask what the school does well, and what can be improved. (To be led by the the Principal, Megan Dell) Provide regular reports to the school council or governing authority on child 	Term 4 2022 and then ongoing

RISK TITLE AND DESCRIPTION	RISK	ASSESSMENT	EXISTING CONTROLS	CONTROLS ASSESSMENT	NEV
Provide a risk title and short description.	Describe the causes of the child safety risk.	Describe the consequences for children if the child safety risk happens	Describe the existing child safety and wellbeing controls you have in place to mitigate the child safety risk Sample content is provided below	Taken together, are the controls adequate to reduce the risk and harms to a tolerable level?	lf controls controls y risk and w
Organisational, Propensity	 Poor understanding of the foreseeable risks relating to child abuse Poor understanding of recordkeeping and information management Poor child safety messaging 	 information to reduce the risk of child abuse or conversely, sharing sensitive information inappropriately contributing to further harm. Poor records and record-keeping practice can contribute to delays or failures to identify and respond to child safety risks and incidents and can obstruct survivors seeking information about their time at our school. It can also compromise the school's ability to monitor for systemic issues that required changes to policy, procedure or practice. Physical and psychological harm as a result of child abuse 	 Our Volunteers Policy supports volunteers to understand their obligations on information sharing and recordkeeping PROTECT posters and the Four Critical Actions are displayed around the school Records management obligations are met through adherence to the <u>Records Management -</u> <u>School Records Policy</u> and all staff and relevant volunteers understand their obligations on information sharing and record keeping through induction, training and support from leadership. We communicate and demonstrate that mistreatment of students and racism is not tolerated in any way and that students who speak out are listened to and taken seriously. 		safety the Pri ●
Child Safe Standard	3 – Children are safe, inform	ed and actively participate		'	
Risk Title: Student empowerment Description: There is a risk that students will not be empowered about their rights, participate in decisions affecting them or be taken seriously Risk type: Vulnerability	 Students don't know how to make a complaint or raise a concern or don't feel confident that they will be listened to Students don't understand their rights Student input in decision making is not supported or valued Student contributions or concerns are not taken seriously Students are not offered sexual abuse prevention education Students are coerced or silenced by adults at the school Lack of friendship or peer support 	 Abuse is more likely to happen if students do not feel supported to participate in decisions that affect them and do not feel like they will be listened to. Failure to empower students with information about their rights, child safety risks, and sexual abuse prevention will increase the risk of abuse going unidentified and unspoken If students do not feel confident or empowered to raise a concern, they will be unwilling to report abuse Lack of friendship or peer support may increase the risk that the student will not feel confident to discuss concerns with their peers, making it more likely that abuse will go unidentified and unspoken Physical and psychological harm as a result of child abuse 	 Our Child Safety and Wellbeing Policy outlines the controls in place to support child and student empowerment and is implemented Complaints Policy details how students can raise complaints and concerns and is promoted widely to parents and students Student Wellbeing and Engagement Policy outlines the controls in place to ensure student wellbeing is supported and prioritised Students are provided with age-appropriate sexual abuse prevention programs and relevant related information through Resilience, Rights and Respectful Relationships teaching and learning materials Students are educated about their rights through Resilience, Rights and Respectful Relationships teaching and learning materials Friendship and peer support are promoted through the buddy program and whole school events. We provide students who find it harder to speak up or be heard with multiple avenues for communicating, including regular AtoSS-style surveys. 	Yes	• <u>Child S</u> PROT policie safety are infu update led by
Child Safe Standard	4 – Family engagement			_	
Risk Title: Families and community involvement Description: There is a risk that families and communities are not informed, and involved in promoting child safety and wellbeing	 Unwelcoming staff Lack of appreciation of the value of community consultation and engagement The school does not offer information to families and communities or avenues to contribute to policies and decisions relating to child safety and wellbeing 	 Child safety and wellbeing practices without input from families may result in practices that do not cover all the diverse needs of students, resulting in a risk that students do not feel safe or able to actively participate in school life (see Child Safe Standard 1 and 3) Families and communities not engaged in child safety at the school are less likely to be able to support the school to reduce 	 Our Child Safety and Wellbeing Policy outlines the controls in place to engage families and is implemented All child safety and wellbeing policies and procedures are publicly available and promoted in the school community Families and the school community are invited to have a say in the development and review of child safety and wellbeing policies, procedures and practices through our school website and 	Yes	 Provid opport discus at RPS

RISK TITLE AND DESCRIPTION	RISK	ASSESSMENT	EXISTING CONTROLS	CONTROLS ASSESSMENT	NEW TREATMENTS AND WHO IS RESPONSIBLE?	BY WHEN?
Provide a risk title and short description.	Describe the causes of the child safety risk.	Describe the consequences for children if the child safety risk happens	Describe the existing child safety and wellbeing controls you have in place to mitigate the child safety risk Sample content is provided below	Taken together, are the controls adequate to reduce the risk and harms to a tolerable level?	If controls need to be strengthened, describe any new controls you will implement to mitigate the child safety risk and who is responsible for the new treatments?	When will this be done?
Risk type: Organisational	 Lack of staff training, culture or willingness to engage families and communities 	 risk by keeping an eye out for unsafe behaviours and raising concerns. Families cannot help students identify abuse Families do not support students who want to make a complaint If families lack awareness about child safety including risks of child abuse, children may be more vulnerable to being groomed by perpetrators seeking to obtain their trust. Physical and psychological harm as a result of child abuse 	 newsletters, pastoral care interviews in term 1 of each year. We ask parents and carers about their children. This can be in formal settings like parent/teacher interviews, or during chance meetings at pick-up and drop-off. We display the PROTECT poster in shared areas that are accessible to parents and the community. 			
Child Safe Standard	5 – Equity and diverse need	S				
Risk Title: Diversity and equity Description: There is a risk that equity is not effectively upheld, and diverse needs are not respected in policy and practice Risk type: Vulnerability	 Diverse cohorts have not been identified for targeted support (such as students with disability, students who identify as lesbian, gay, bisexual, transgender, intersex and queer (LGBTIQ+), students in out of home care, international students and students who are culturally and linguistically diverse) Diverse cohorts not supported adequately Diverse cohorts feel unwelcome Lack of staff training on diversity and supporting and responding to vulnerable students Lack of respectful culture Incidents of discrimination or humiliation are not effectively addressed and managed 	 Diverse cohorts who do not feel safe or who are not adequately supported for their diverse and specific needs are more at risk of abuse and harm and will be less able or willing to report concerns. Experiencing discrimination can increase a child's vulnerability to abuse and harm and can also mean they are less likely to ask for help or speak up if they have a concern Physical and psychological harm as a result of child abuse 	 Our Child Safety and Wellbeing Policy outlines the controls in place to support equity and diverse needs and is implemented Student Wellbeing and Engagement Policy outlines how the school pays particular attention to the needs of students with disability, students from culturally and linguistically diverse backgrounds, students who are unable to live at home, international students, and lesbian, gay, bisexual, transgender, intersex and queer (LGBTIQ+) students Child safety information, support and complaints processes are culturally safe, accessible and easy to understand If your school has other documents that address diversity and equity include these here, such as: <u>Bullying Prevention Policy</u> Inclusion and Diversity Policy Implement: <u>Resilience, Rights and Respectful Relationships and Building Respectful Relationships teaching and learning materials</u> <u>Respectful Relationships whole school approach</u> 	Yes	 Using people's preferred names and pronouns We ensure our school is welcoming and inclusive. For example: We display flags representing different cultures within the school community. 	Term 4 and ongoing
Child Safe Standard	6 – Suitable staff and volunt	eers				
Risk Title: Suitable staff (including contractors engaged by the school in child-related work) Description: There is a risk that staff are not suitable to work with children or effectively supported to uphold child safety and wellbeing values in practice	 Provision of false information during recruitment Poor management of conflicts of interest Insufficient induction on commencement of working at 	 Insufficient promotion of the school's commitment to child safety during recruitment processes may fail to deter potential predators from seeking employment History and behaviours of concern relating to suitability to work with children are not identified resulting in increased risk of child abuse Conflicts of interests in recruiting staff may increase the risk of other staff not reporting concerns relating to staff 	 Our Child Safety and Wellbeing Policy outlines the controls in place: for child safe recruitment and screening practices for staff. to ensure staff are provided with an appropriate induction in the school's child safety policies and practices. to ensure ongoing supervision and management of staff is focused on child safety and wellbeing All actions and strategies outlined in our Child Safety and Wellbeing Policy are implemented 	Yes	Not applicable	

Risk Title: Suitable staff (including contractors engaged by the school in child-related work)	 Poor recruitment and pre-employment screening processes Provision of false information during recruitment 	 Insufficient promotion of the school's commitment to child safety during recruitment processes may fail to deter potential predators from seeking employment 	 Our Child Safety and Wellbeing Policy outlines the controls in place: for child safe recruitment and screening practices for staff. to ensure staff are provided with an appropriate 	Yes	Not a
Description: There is a risk that staff are not suitable to work with children or effectively supported to uphold child safety and wellbeing values in practice	 Poor management of conflicts of interest Insufficient induction on commencement of working at 	 History and behaviours of concern relating to suitability to work with children are not identified resulting in increased risk of child abuse Conflicts of interests in recruiting staff may increase the risk of other staff not reporting concerns relating to staff 	 o to ensure stall are provided with an appropriate induction in the school's child safety policies and practices. o to ensure ongoing supervision and management of staff is focused on child safety and wellbeing All actions and strategies outlined in our Child Safety and Wellbeing Policy are implemented 		

RISK TITLE AND DESCRIPTION	RISK	ASSESSMENT	EXISTING CONTROLS	CONTROLS ASSESSMENT	NEW TREATMENTS AND WHO IS RESPONSIBLE?	BY WHEN?
Provide a risk title and short description.	Describe the causes of the child safety risk.	Describe the consequences for children if the child safety risk happens	Describe the existing child safety and wellbeing controls you have in place to mitigate the child safety risk Sample content is provided below	Taken together, are the controls adequate to reduce the risk and harms to a tolerable level?	If controls need to be strengthened, describe any new controls you will implement to mitigate the child safety risk and who is responsible for the new treatments?	When will this be done?
Risk type: Organisational, Propensity	 lack of empowerment or awareness of behaviours of concern Insufficient promotion of the school's commitment to child safety Lack of child safety culture Insufficient supervision Performance management does not focus on or address concerns relating to child safety and wellbeing 	 conduct, and where concerns are reported or identified, increased risk of them not being responded to in an objective manner with the focus on child safety and wellbeing. Insufficient induction results in the increased risk that staff fail to identify child safety risks and signs of harm and are unable to respond appropriately when they do identify risks of harm or when a complaint or concerns is disclosed to them. Insufficient supervision and performance management results in increased risk of child abuse and harm to students Staff do not understand their role and responsibilities in promoting and supporting child safety resulting in increased risk of harm Physical and psychological harm as a result of child abuse 				
Risk Title: Suitable Volunteers Description: There is a risk that volunteers are not suitable to work with children or effectively supported to uphold child safety and wellbeing values in practice Risk type: Organisational, Propensity	 Screening processes lack sufficient strength to reveal histories and behaviours of concern Systems, processes, policies and culture do not demonstrate sufficient strength and transparency to deter potential perpetrators from attempting predatory behaviours Conflict of interest Lack of child safety culture Insufficient induction and training Insufficient supervision 	 Insufficient promotion of the school's commitment to child safety may fail to deter potential predators from volunteering at the school History and behaviours of concern relating to suitability to work with children are not identified resulting in increased risk of child abuse Insufficient induction results in the increased risk that volunteers do not understand their role and responsibilities in promoting and supporting child safety resulting in increased risk of child abuse and harm. Insufficient supervision results in increased risk of child abuse and harm to students Inadequate steps to address concerning behaviour may result in increased risk of harm (for example removing volunteer from duties or otherwise ensuring the volunteer does not demonstrate further behaviours of concern) Physical and psychological harm as a result of child abuse 	 Volunteer Policy outlines the controls in place to ensure volunteers are suitable to work with children including screening, induction, and ongoing management and supervision Volunteers will be asked to undertake additional screening processes including proof of identity (where this has not already been established), and references addressing suitability for working with children. Volunteers that are working with children or that may have access to students in unsupervised or high-risk settings will always be supervised by a member of school staff Volunteer behaviour that is inconsistent with the school's child safety and wellbeing policies and practices will be addressed by school staff swiftly and with a focus on child safety and wellbeing. 	Yes	All volunteers will undertake the school 'volunteer training and be inducted with the child safety volunteer induction pack.	Term 4 and ongoing
Child Safe Standard	7 – complaints processes					
Risk Title: Complaints processes Description: There is a risk that processes for complaints and concerns are not child focused	 Students and parents/carers are uncertain about how to raise a complaint or concern because information is not accessible or easily understood Processes do not support students, parents and carers to 	• Failure to ensure there is accessible, culturally safe and easily understood information on how to raise a complaint or concern increases the risk of students, parents and carers not reporting behaviours of concern or abuse	 Complaints Policy outlines the controls in place to ensure students are provided with accessible, culturally safe and easily understood information on raising a complaint or concern Child Safety Responding and Reporting Obligations Policy and Procedures outlines the 	Yes	●Not applicable	

RISK TITLE AND DESCRIPTION	RISK	ASSESSMENT	EXISTING CONTROLS	CONTROLS ASSESSMENT	NEW
Provide a risk title and short description.	Describe the causes of the child safety risk.	Describe the consequences for children if the child safety risk happens	Describe the existing child safety and wellbeing controls you have in place to mitigate the child safety risk Sample content is provided below	Taken together, are the controls adequate to reduce the risk and harms to a tolerable level?	If controls i controls yo risk and wi
Risk type: Organisational, Vulnerability	 make complaints or raise concerns Complaints processes or responsible staff do not make students feel safe or supported to report Student input in decision making is not valued Student, parent and carer concerns/complaints are not taken seriously Inadequate response to complaints or concerns relating to child abuse 	 Students may be unwilling to report behaviours of concern or abuse if they feel they will not be taken seriously or if they do not feel safe to report Failure to have a clear process for responding to complaints and concerns about child abuse may result in inappropriate or insufficient action being taken resulting in continued or further harm to the child and other children Physical and psychological harm as a result of child abuse 	 procedures for responding to complaints or concerns relating to child abuse The Complaints Policy and Child Safety Responding and Reporting Obligations Policy and Procedures are publicly available on the school website The Complaints Policy and Child Safety Responding and Reporting Obligations Policy and Procedures are implemented by all relevant staff Our Child Safety and Wellbeing Policy sets out all recordkeeping, privacy and information sharing obligations that must be met when responding to complaints and concerns. All complaints and concerns are managed in accordance with employment law obligations and our school seeks advice from Employee Conduct Branch and Legal Division when dealing with complaints and concerns relating to child abuse by a member/former member of staff or school council employee or contractor 		
Child Safe Standard	l 8 – Child safety knowledge,	skills and awareness			
Risk Title: Knowledge, skills and awareness Description: There is a risk that staff and volunteers are not equipped with the knowledge, skills and awareness to keep children and students safe through ongoing education and training Risk type: Organisational	 Child safety and wellbeing training not provided to staff and school council annually Child safety and wellbeing training is not refreshed or updated where policy, practice or law has changed Volunteers are not required to undertake child safety training that is appropriate to the nature of their role Training does not cover all necessary topics Training is poorly facilitated Also refer to Child Safe Standard 6 risks above 	 Inability to identify child safety risks including inappropriate behaviour and signs of harm resulting in increased risk of failing to protect children from child abuse, and underreporting of child safety incidents to relevant staff and authorities Insufficient understanding about the school's child safety and wellbeing policies, practices, and obligations results in increased risk that they will not be appropriately implemented by staff and volunteers and an increased risk to students of child abuse occurring and of continuing to occur undetected. Physical and psychological harm as a result of child abuse 	 Our Child Safety and Wellbeing Policy outlines the controls in place to ensure school council and school staff receive appropriate annual guidance and training on child safety and is implemented Our Volunteers policy provides information on training for volunteers. Volunteers that are engaged are provided with child safety training that is appropriate to the activity and the volunteer's role. 	Yes	 Child S PROTE policies safety p are info update
Child Safe Standard	9 – Physical and online envi	ronments
